Tooling & Machining Company | Michigan

This company has been in business for over thirty years. The company started in the early 1990s in a small, humble facility and has grown into a company with nearly 60 employees and two facilities with combined square feet of over 30,000 SF. They provide quality 2D & 3D machined parts and are well diversified in multiple industries, including but not limited to automotive, metal stamping, die components, transmissions, oil & gas, industrial press & dies, and plastics. This company provides many services such as: milling, turning, and grinding, wire EDM, CNC programming, reverse engineering, CMM inspection, and material certification. This is a turn-key business ready to transition with new owners.

Annual Sales exceed \$5M

A&W Drive-In Restaurant | Central Michigan

This nostalgic drive-in restaurant is located in a popular college town. They are an independent franchise under the A&W brand. This business has been a staple in the community for many years, the original building was built in 1954. The current owners built a loyal customer base by providing personalized service and quality customer service. This business has proven to be pandemic proof, with sales increasing since 2020. After serving the community for many years the owners plan to retire, they've developed a self-directed staff to assist new ownership. This franchise is well managed, profitable, and indeed a turn-key opportunity located in a high traffic area of town with an estimated 11,000 vehicles passing by daily! (CARS 2022)

2022 Sales \$6.3K

Introducing Taylor Shelton!

Taylor graduated from Ferris State University with a Bachelor's degree in Advertising Integrated Marketing Communications and an Associate degree in Graphic Design in 2015. She was the fundraising chair for AdGroup, a student advertising group on campus. She organized fundraisers and assisted local businesses with their advertising needs.

Taylor started off in the retail and food industries, however she has found her home in an office environment. She excels at office managing, has a strong eye for detail, organization and communication. Previously she worked in finance as an office administrator, where she rebranded the entire company with her design expertise.

While studying at Ferris State, Taylor met her husband, Eldon. Together they have 4 "fur" children: Sasha, Drake, Chico and Dill. They relocated together to the Grand Rapids area in 2016. Taylor enjoys spending time with her pets, friends and family; as well as designing, reading, crafting and bowling.
